The parties have developed a written evaluation instrument or format, which is attached hereto as Attachment

The evaluation instrument or format shall be based upon achievement of goals, job performance and other additional and measurable objectives. The evaluation instrument or format has been agreed upon by both parties and shall be utilized for future evaluations.

3.1 Evaluation Conferences. A regular and annual formal assessment of the Superintendent’s performance and future goals shall be the means by which the School District shall assess the performance of the Superintendent. The performance assessment shall be conducted in a private session limited to members of the Board of School Directors and the Superintendent and shall take place preferably by June 30, but no later than July 31, of each contract year following the initial short year. The evaluation instrument or format agreed upon by both parties shall be utilized. Both parties agree that performance assessments shall be privileged and that each party shall respect the confidentiality of the discussions. Nothing contained herein, however, shall prevent the School District from using any such evaluation in a dismissal hearing properly brought under Section 1080 of the Public School Code of 1949, as amended.

This salary shall be prorated for the initial short year of the contract.

4.1 Salary Adjustments. Any adjustments in the Superintendent's salary during the term of this Agreement shall be deemed an amendment to this Agreement. Provided, however, that such adjustments shall not be construed as either creating a new contract between the School District and the Superintendent, or in any manner extending the anticipated termination date of this Agreement. Additional compensation or increases in the Superintendent's annual salary shall be determined pursuant to performance evaluations. In the event that this Agreement is renewed by operation of law pursuant to Section 10-1073 (24 P.S. § 10-1073), then the annual salary of the Superintendent for the renewal year shall be the last annual amount under this Agreement, which shall be increased on the anniversary date of July 1, 2025 by the stated annual increase contingent on the Superintendent receiving a satisfactory or above rating for the 2024-2025 school year, as set forth in Paragraph 4.2.

The Superintendent’s vacation days, inclusive of vacation days carried over, shall never exceed twenty-five (25) in any year. The remainder of any unused vacation days shall be converted to sick leave.

A. In the event the Superintendent’s employment with the District should terminate prior to the end of any contract year, vacation day entitlement and payment for unused vacation days shall be prorated based upon the number of days worked compared to the number of work days in the contract year. The Superintendent shall be reimbursed on a per diem basis for the unused prorated vacation days. In the event the Superintendent shall already have exceeded the number of prorated days, a corresponding per diem sum shall be deducted from his final paycheck.

Should the Superintendent's employment with the School District terminate for any reason whatsoever prior to the end of any contract year, he shall only receive a prorated portion of current sick leave days for that contract year. Upon leaving the District, the Superintendent shall be compensated for any unused sick days at the rate of One Hundred (\$100.00) Dollars per day, up to a maximum of one hundred (100) days. The Superintendent shall also be reimbursed for tuition in the amount of one hundred (100%) percent of eighteen (18) credits per year for furthering his education in the field of educational administration or other related fields of education, provided such credits are pre-approved in advance by the Board. The eligible reimbursement will include fees, books and travel.

The District and the Superintendent agree that if the Superintendent leaves employment

with the District and has received tuition reimbursement, he shall be responsible to repay such reimbursement to the same extent and under the same terms as are set forth in the District's Act 93 Agreement in effect at the time of his separation from employment. As an exception to the foregoing, the Superintendent shall not be responsible to repay any tuition reimbursed to him if his separation from employment is because the District's Board declines to offer him an additional term of commission.

5.10 The Superintendent shall be reimbursed for use of his private vehicle, while on school district business at the mileage rate from the time to time set by the Internal Revenue Services. There will be no reimbursement for travel to and from the workplace. All requests for reimbursement may be turned in monthly to the business office.

5.12 Administrator Benefits. The Superintendent shall be provided for family health insurance coverage of the same plan provided to the School District's administrative staff, with the same plan design and bearing the same responsibility for premium contributions. Further, in addition to the benefits and incentives specifically set forth in this Contract, the Superintendent shall be entitled to any and all benefits and incentives provided to other School District administrators, including but not limited to all leave and retirement benefits and incentives identified in the School District's administrative compensation plan adopted pursuant to Section 1164 of the Public School Code (24 P.S. 11-1164), even though such benefits are not enumerated in this Contract. Any increase or improvement in benefits and incentives extended to District administrators during the Term of this Contract will also be extended to the Superintendent and

become part of this Contract, with the exception of benefits specifically covered by and mentioned in this Contract, in which case the Contract will govern. Nothing contained herein shall preclude the District from providing additional benefits and incentives to the Superintendent as may be agreed to by the School Board and Superintendent.

5.13 Bereavement. The Superintendent shall be allotted three (3) bereavement days for an immediate family member and two (2) bereavement days for a near relative as provided in the Pennsylvania School Code. The Board may extend the period of absence with pay in its discretion as the exigencies of the case may warrant.

5.14 Severance. This Contract may be terminated by the mutual consent, in writing, of the Superintendent and the School District. If this Contract is terminated in this manner, the School District shall immediately pay and provide to the Superintendent all of the aggregate compensation, salary, and benefits, which may include but not limited to insurance premiums and coverages and payment for unused leave, which the Superintendent earned, accrued and/or is entitled to in accordance with this Contract through the mutually agreed upon effective date of the termination of this Contract and any additional amount mutually agreed upon by the School District and Superintendent, if any, within the limitations and requirements of the Pennsylvania School Code.

5.15 Publishing and Consulting. The Superintendent agrees to devote his full-time attention, energies, skill and labor to his employment as Superintendent during the term of this Agreement or any renewal thereto, provided however, the Superintendent retains the right to author articles for publication, or engage in educational consulting or any other activities of an educational nature, such as writing, lecturing, speaking engagements, teaching or other professional duties, with or without compensation, so long as such activity does not interfere with

the duties of the Superintendent as established by this Agreement and provided that those activities are not performed during normal School District contractual work hours and are disclosed to and approved in advance by the Board.

5.16 Technological Capability. The School District shall supply and pay for a laptop, notebook, and/or tablet/iPad for the Superintendent's use during the duration of this Contract. The Superintendent agrees to return any equipment provided at the conclusion of his employment. Due to the nature of the Superintendent's work responsibilities and schedule with the School District, it will not be a violation of any School District Policy or this Contract for the Superintendent to use, for personal use, School District-issued equipment, technology, and electronic resources. The Superintendent shall receive a reimbursement of twenty dollars (\$20) per month for use of his personal cellular telephone for School District business.
