

**School Buildings:**

Flex Instructional Day Application will be submitted this week. (PDE Approval won't be until Nov 1)

As of today, we have 26 withdrawals and 45 enrollments. Out of the 45 newly enrolled, 11 are special education.

**Pupil Services:**

We have 13 employees (1 elem/12 HS) being SAPed trained this week August 27-29.

**Athletic:**

**Varsity Football** - has a very small roster this year due to preseason ending injuries and medical conditions. Over the last few weeks have lost a few more to injury. We started the season with 23 on the roster and are currently down to 17 healthy bodies at this time. Due to roster restraints JV football had to be canceled this year. We lost our home opener to CH this past Friday 23-0. This week we play Carlynton at 7pm Friday night in Carnegie at Honus Wagner Field.

**7/8 Football** - has 22 on the roster. They have their first scrimmage this Wed at 4pm vs. Avella at home.

**Girls Volleyball** - Currently have 25 on the roster. Did well with their scrimmage against South Fayette last week. A special thanks to South Fayette, West Allegheny and Chartiers Houston for letting us practice in their facility this summer. Our first home scrimmage is this Wed at 6pm vs Jefferson Morgan.

**Boys Golf** - has seven currently on the roster. We are currently 3-1 on the year. We play Northgate today at home at 3pm and South Park on Wed at home at 3pm.

**B/G Cross Country** - 13 currently on the Varsity Roster. 7 on the junior high roster. They have their first scrimmage tomorrow at Canon Mac Wylandville Elementary at 430pm.
