

Schools:

Junior/Senior High:

Dr. Craig attended a professional development session sponsored by PASCD.

Congratulations to the class of 2023, the graduation ceremony was well attended.

Counselors are currently updating student schedules to address mandated changes for the 23-24 school year.

Summer school and ESSER Acceleration program will be held at the Jr./Sr. from 6/19 to 7/20.

The District will hold a STEAM Freight Farm camp from 7/11 to 7/13.

The Jr./Sr. high school has a number of positions to fill. Mr. Samosky is assisting with the interview process to fill a math vacancy, Long Term Substitute German position, para-professional vacancies, nurse vacancy, and a Long Term Substitute Art position.

Elementary Center:

The Elementary Center 6th grade graduation ceremony was well received by students, staff and parents.

The Field Day activities were a success.

Mrs. Eiler and I have completed a number of interviews for the PE vacancy and we will make a recommendation to a candidate at the June 26, 2023 board meeting

Finishing elementary student schedules.

The Fort Cherry/Heritage Library STEM Camp was held on June 12 through the 16th. It was well attended.

Summer Slam will be held for incoming 7th grade students from 7/10 through 7/20.

Elementary Acceleration program will be held 7/11 through 8/3.

Athletics:

Congratulations to Dominic Salvini on winning the Pittsburgh Positive Athlete Award for Track and Field.

Sports Physicals will be held at the District on July 27, 2023, from 8:00 AM to 1:00 PM.

TECHNOLOGY

Website: The website launched on June 1, 2023. As of June 16, over 1,500 users have accessed the new site. The app will launch on July 3, with logins being sent to all parents with enrollment instructions. Members of the public can download the app and setup an account to access

content.

Ordering: The new Chromebooks are on order and should be ready for the first day of school.

TEALS and AP Computer Science Principles: Dr. Lauver, Mr. Samosky, and Mrs. Kioalicas attended a meeting with Microsoft TEALS to establish a partnership with Microsoft and Fort Cherry through our AP Computer Science Principles course.

SPECIAL EDUCATION

Special Education Plan: The Special Education Plan revisions have been completed and submitted to PDE for approval. Revision needs were minimal to meet state requirements.

Elementary Life Skills: An open house is scheduled for August 16 at 10 AM in the new classroom to orient families to the new site. We are also going to invite ARC of Washington County to attend to provide resources to families.

GUIDANCE

High School Scheduling: After the Association did not approve the MOU related to schedule changes at FCHS, the master schedule was revised and resubmitted to the counselors. Work to balance courses and regenerate schedules is ongoing.

FEDERAL PROGRAMS

Title I Funding (2023–24): The Consolidated Application is underway. This is due to PDE by June 30. We are on schedule to submit this on time.

INSTRUCTIONAL LEADERSHIP

Vo-Ag/Horticulture: The Horticulture program has been approved by PDE!

State Funding Applications, Mandates and Updates:

PCCD Grant Funding School-Wide Positive Behavioral Support Train the Trainer course will be completed by the District’s administration this summer. Thank you to the PA Department of Education for providing the grant funding to cover the cost of the courses provided by KOI.

TEALS partnership created to support Mrs. Kioalicas and the AP Computer Science Principles students for the 2023 school year. Thank you to Mr. Robert Robinson for supporting the initiative and attending the intensive volunteer training provided by Microsoft. The TEALS program has resulted in tremendous AP score improvement in AP Computer Science Principles. The program is grant funded.

Due to administrative vacations and the number of vacancies, I conducted Mental Health position interviews as well as para position interviews.

The STEAM summer camps sponsored by a number of grant funds and donations have been well attended by our students.
