

## Central Office:

1. District Musical—2 applicants for co-director; may need to alter past practices due to time, personnel, and funding
2. Coop South Fayette—Our coop with SF will be modified to allow SF to take over Tennis program, still allow our students to participate and in return SF can use our courts for free; Swimming Coop will still continue as is
3. Pipeline Update—Mr. Marquis attending pipeline meeting to gain information about any busing that may be affected
4. PASA/PSBA—Great conference; will forward info to the Board in coming weeks

## School Buildings:

### Jr/Sr High:

Senior night went very well

Keystone remediation starts Monday October 30th

9 weeks will end this week

Emily Lemark received an academic excellence award from the national academy of future physicians and medical scientist

## Pupil Service Update:

### *Life Skills:*

The students in the life skills classroom have been preparing various meals for their functional daily living exercises. They have made a variety of foods over the past several weeks.

Meal preparation requires: Menu planning, recipe following, cooking and clean up. This life skill is critical to master and we are very pleased with their progress in this area.

### *Strive:*

**Strive Students Gr. 6** students worked on their Abraham Lincoln model that will be included with their social studies curriculum project. As a culminating activity to *A Single Shard* we had a pottery lesson with Mr. Delach. The kids did so well on the pottery wheel! Each student created two pottery pieces. We'll return next week to trim their pieces and again, after they are fired, to glaze them. Thank you Mr. Delach for your extra time devoted to this project!

## Technology:

- DJ Hoy accompanied the printer rep room to room (District wide) for inventory count.
- CCL addressed the FCSD ProSoft server being inaccessible on Oct 5<sup>th</sup>; it was necessary to remove items to free up space and restore functionality.
- As listed in the September board summary, FCSD servers failing is a major concern. Administration has requested that CCL submit a proposal to replace their existing servers.
- CCL notified FCSD of a western PA School District that was attacked by a ransomware virus as well as submitted best practices and suggestions for future cybersecurity.
- CCL evaluated & repaired submitted Chromebooks.
