

Superintendent Board Report: July 17, 2017

Central Office:

- Working on schedules for next year including professional development, events calendar, and personnel placement
- Principals, Pupil Service Director, and I will be attending 2017 PA Educational Leadership Summit in Altoona July 25-25 through grant money...this is a great opportunity to work as a team on strengthening the ed leadership in District

School Buildings:

- Getting ready for new year
- Creating schedules and classes
- New student orientations: Elem August 17 at 10 AM; August 22 at 1 PM
- 7th Grade orientation August 21 at 6:00 PM

Pupil Service Update:

ESY is underway. We run our ESY program for 2 weeks in the summer. This program is designed to meet the individual needs of the students. We have 11 students participating from grades K - 8. We also have a senior working on some job readiness skills and will be a helper in the classroom this summer.

Technology:

- CCL provided a list of summer work to be completed by technician DJ Hoy as well as reviewed with him.
- CCL created inventory sheet for District technology via Google Docs.
- CCL repaired submitted Chromebooks
- CCL engineer Michael Naeger was onsite to clean the District's MDF closet. During this time reviewed policy with DJ Hoy as well as answered his technical questions.
- DJ is consolidating old/unused hardware and moving to room 117 in preparation of the District's 'tech giveaway'.
- DJ has begun labeling of the Elementary computers as well as renaming these computers to a standardized naming scheme.
- DJ has begun the technology inventory as he goes to various rooms in the District.
