- ~6th graders have a field trip to Waynesburg University on October 25th

Jr/Sr High School:

Senior Night Activities included: Pep Rally - Acknowledgment of all Fall Senior Athletes, Band, and Majorettes; Senior Who's Who; performances by cheerleaders, football players, and majorettes; and Spirit Competition.

Senior Night Acknowledgement at the girls' Volleyball game on Tuesday and at Burgettstown on Thursday and Football game on Friday.

Preparing for the Winter Keystones - Remediation for Algebra 1 and Biology has begun. Winter Keystones will take place in December.

Pupil Services

Life Skills:

Students in the life Skills program assisted with the first delivery of Helping Hands. This is a great work experience as it involves numerous job skills of sorting & organizing, inventory, customer interaction, delivery & distribution, and time management. All the students were successful with their job tasks. They are looking forward to this monthly activity.

Students in the Life Skills program attended Simmons Farm. They toured the farm, fed the animals, and picked apples. They made homemade apple sauce with some of the apples they picked!

Title:

Fort Cherry is being recognized as a 2018 - 2019 distinguished Title 1 School. Congratulations to Briannne Eiler and Ashley Risacher and the entire elementary staff for a job well done!

Safety and Security:

Installation of new cameras in Learning Commons

Chief Buchowski recently attending the US Secret Service School Safety Forum at Thiel College

Transportation:

Transportation has been running smoothly
There have been no new bus drivers to submit for approval

Maintenance:

- ~Working with water-company on tap in interruption
- ~Assisting Business Office with Capital Project Quotes
