

UNLEASH STRONG! BE A GIRL SCOUT.

Picture this: a safe, no-limits place designed specifically for girls, where they're inspired to seek out new challenges, build important skills, and take the lead. That's Girl Scouts. A place where every girl has the space and support she needs to reach her full potential and accomplish amazing things.

Girl Scouts teaches girls to empower themselves by engaging in collaborative, hands-on, girl-led experiences. Guided by supportive adults, girls pursue their goals and are provided with more opportunities to prepare for the lifetime of leadership, success, and adventure they deserve. Girl Scouts connect with people in their communities, and they take action to change the world!

With a unique network of more than 50 million girls and women to cheer her on every step of the way, a lifetime of leadership, success, and adventure starts here.

We will be forming new troops and adding girls to troops that are already formed in the area. Come hear more about how you and your daughter can join us as we build girls of courage, confidence and character through Girl Scouting.

Adults will learn about the many ways they can help with a troop. Bring your school-aged girls along for activities and crafts with local Girl Scouts who have volunteered to lead the girls in activities.

We look forward to meeting you!
