DID YOU KNOW?

At Fort Cherry, we strive to provide students healthier and tastier meal choices using fresh ingredients, while also meeting all federal regulations. We want to encourage our families to utilize our meal programs to provide each student with the nutrition they need. Menus are available online at www.fortcherry.org.

What is a Student Meal?

We participate in the National School Lunch Program as an offer vs. serve format for each meal. This means we offer a variety of each of the required components: Protein, Grains, Fruits, Vegetables, and Milk. Students must choose a minimum of 3 of these at both Breakfast and Lunch. One of the components **MUST** be a fruit or vegetable to be a qualifying meal and receive the eligible free/reduced price.

We can't wait for you to see what's been going on this summer to make our space as fresh and exciting as our meals!

Any Questions feel free to contact us.
