

STEM Night for Adults 'Science of Food'

Robert Morris University
6001 University Blvd
Moon Township, PA 15108
Sewall Center

June 17, 2016

7:00-9:00pm

\$25 per person

Join us for an evening with Chef Kim Smith, owner of Relish Kitchen and Catering, to discuss the science of food!

Topics and hands-on experiments will include the science and fermentation of bread making, the difference between gluten and gluten free products, as well as the science of making Kombucha tea (an ancient Chinese drink).

Light refreshments and a beer or wine drink ticket is included, as well as items to take home.

Register today – only 16 spots available!
